Important Notice: MG Rover Group is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this UK market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors are not agents of MG Rover Group and have absolutely no authority to bind MG Rover Group by any express or implied undertaking or representation. Any reference in this brochure to speed or performance should not be taken as an encouragement to drive either dangerously or at speeds in excess of the national limit. If you require any further information regarding Rover products or services, please contact your local Rover Distributor, who will be pleased to assist you.

The New Rover 75

Accessories

Approved Accessories are designed to help you make the most of your Rover 75, allowing you to enhance and extend your lifestyle choices.

From roof boxes and cycle carriers to tow bars and touring equipment we have the accessories to effortlessly move you from your working week to weekends away, travelling fully loaded with your worldly possessions.

One of the latest additions is a range of solutions to the mobile phone legislation. Talk to your local distributor for a tailored solution.

Please browse this teaser to view some of our selected products and a full list of accessories for your Rover 75.

For further details please speak to your MG Rover Distributor.

17" Serpent Alloy (7Jx17")

16" Forked Spoked Alloy (6Jx16")

CYCLE CARRIER

For secure transportation of bicycles. Roof bars can accommodate up to 4 cycle carriers. Must not exceed maximum load capacity of 80kg.

BICYCLE LIFT SYSTEM

For safe, easy lifting of bicycles onto the roof of your car. Fasten the handlebars and saddle to the system at the side of your car, then aided by the servosystem simply lift the bike effortlessly onto the roof and lock to secure in place. Up to two carriers can be fitted to the Rover 75 Roof Bars.

LUGGAGE BOX RANGE

We have a range of spacious Luggage Box's offering 250 to 500 litre capacity. These products can be fitted to other vehicles. Speak to your MG Rover Distributor.

TOWBARS

Fixed or detachable towbars allow a towing capacity of up to 1600kg (subject to engine derivative) and if requested are supplied complete with towing electrics: either 12N (trailer lights) and 12S (auxiliary lights and caravan appliances) or 13 pin towing electrics. Detachable towbar fixings are discreetly hidden by the rear bumper.

LOADSPACE LINER

Protects loadspace from dirt and wear. Designed to fit the contours of the Rover 75 boot, this flexible durable loadspace liner is easily fitted, removed and cleaned. Can also be rolled up for easy storage.

DOG GUARD - HALF HEIGHT

This most stylish dog guard fits behind the rear seat and attaches to the roof & floor lashing points. Easy to remove & install.

FRONT & REAR MUDGUARDS

Designed to protect your vehicle bodywork from stone chips, mud and spray. Can also be painted to match the body colour of your vehicle.

DVD PLAYER

This compact, self-contained portable DVD player can go wherever you go – complete with its own stylish carry case. (for more detailed information see leaflet AKM801)

HANDS FREE PHONE KITS

This solution allows you to add a magnetic or mechanical phone mounting to your car's interior. As your call comes in the radio is muted on the vehicle's existing speakers. You can listen to a call with excellent sound quality and speak through the omnidirectional microphone giving a clear conversation. When not in use the phone charges while driving. Bluetooth solutions as well as hands free for Hi-Line audio units are also available.

BLAUPUNKT DAB53

Digital Audio Broadcasting with MMC/SD multimedia card, MP3, CD, CD-R/W, 64MB memory card, removable front panel and many more features.

BLAUPUNKT DAYTONA MP53

MP3 playback CD-ROM, File display, CD Text.

BLAUPUNKT TRAVELPILOT

A black or silver on board CD satellite navigation unit with route guidance by arrows or voice with CD, FM/MW & RDS-EON flip panel and 4 x 50 watt maximum power.

FIRST AID KIT

An essential item to keep you and your loved ones protected against minor injuries.

BULB KIT

Replacement bulbs for exterior lights, securely housed in a small box for easy storage. A legal requirement in some countries and always useful when touring.

CHILD SEAT

There is a full range of approved child safety seats to suit your growing child.

XPOWER

DIESEL PERFORMANCE CHIP

Increase your torque and acceleration by 15Ps. You will be required to inform your insurance company of the modification.

CAR CARE KIT

Keep that sparkly look of your new car with our sparkly car & alloy cleaning range of products.
